_____ Insurance Sector Experience

Ovolo founder Matthew Wood has extensive experience within commercial and residential insurance markets. He has previously been involved in countless claims ranging from tower blocks to country houses, to pubs and everything in between.

- We are acutely aware of the impact an insurance peril has on building occupiers
- We understand the impact of time and the importance of reducing it
- We fully appreciate the requirement to know costs, particularly from an early stage

Fast to respond

We have the ability to react quickly, particularly in an emergency, and provide important information promptly.

Flexible

We are extremely flexible in approach and can assist in a project as much or as little as required.

Personalised

Our highly experienced and qualified staff provide a personal touch. Each instruction is given a professional and bespoke solution.

Project Teams

We have a very good sub-consultant base from which to rapidly form Project Teams. These include; Architects, Structural Engineers and Quantity Surveyors.

Money saving

Our investment in technology makes our operations more efficient and cost savings are passed on to our clients.

Pride & Passion

Perhaps most importantly, we take pride in what we do and have a passion for all aspects of technical building.
